

Dear Parent,

**Your child's Magnet School Application with MCPSS is still showing pending in our system.**

The pending status could mean we need grades and or discipline records for your child's the last fully completed school year 2020-2021. You may also submit current First and Second Quarter grades for 2021-2022 school year, if you would like these taken into consideration. If you have submitted grades and/or discipline, please disregard this message. You have until the end of the magnet application window to complete this part of the application. Applications that are incomplete will not be processed.

PLEASE REMEMBER, if your child currently attends ANY Mobile County Public school and you are submitting a Magnet application **THEY ARE NOT NEW STUDENTS** but current students on the application! Several students here currently attend a MCPSS school and the grades are missing because they were enrolled as new. New students are those who are currently NOT ENROLLED in a MCPSS school. ALL current 5th grade Magnet students are automatically enrolled in their feeder 6th grade middle school. Applications are only necessary if you are NOT wanting to enroll in your Magnet feeder middle school.

**If you accidentally submitted an application for a current MCPSS student as NEW, withdraw the application and RE-SUBMIT as a current student so the grades will upload from POWERSCHOOL tonight and we will have the grades.**

If you have questions, call our office at 251-221-4039 or email [magnetinfo@mcpss.com](mailto:magnetinfo@mcpss.com). If you only submitted grades and not discipline records because your child does not have any discipline records, please have their current school write a letter stating he/she has no disciplinary actions. **All records must be submitted by 1:00 PM Friday, January 28th**, they can be submitted online through your application. **If the grades/discipline are not received by 1:00 PM TOMORROW the application will be withdrawn.**

Thank you in advance for your help in this matter,

Dear Parent,

**Your child's Magnet School Application with MCPSS is still showing pending in our system.**

The pending status could mean we need grades and or discipline records for your child's the last fully completed school year 2020-2021. You may also submit current First and Second Quarter grades for 2021-2022 school year, if you would like these taken into consideration. If you have submitted grades and/or discipline, please disregard this message. You have until the end of the magnet application window to complete this part of the application. Applications that are incomplete will not be processed.

PLEASE REMEMBER, if your child currently attends ANY Mobile County Public school and you are submitting a Magnet application **THEY ARE NOT NEW STUDENTS** but current students on the application! Several students here currently attend a MCPSS school and the grades are missing because they were enrolled as new. New students are those who are currently NOT ENROLLED in a MCPSS school. ALL current 5th grade Magnet students are automatically enrolled in their feeder 6th grade middle school. Applications are only necessary if you are NOT wanting to enroll in your Magnet feeder middle school.

**If you accidentally submitted an application for a current MCPSS student as NEW, withdraw the application and RE-SUBMIT as a current student so the grades will upload from POWERSCHOOL tonight and we will have the grades.**

If you have questions, call our office at 251-221-4039 or email [magnetinfo@mcpss.com](mailto:magnetinfo@mcpss.com). If you only submitted grades and not discipline records because your child does not have any discipline records, please have their current school write a letter stating he/she has no disciplinary actions. **All records must be submitted by 1:00 PM Friday, January 28th**, they can be submitted online through your application. **If the grades/discipline are not received by 1:00 PM TOMORROW the application will be withdrawn.**

Dear Parent,

**Your child's Magnet School Application with MCPSS is still showing pending in our system.**

The pending status could mean we need grades and or discipline records for your child's the last fully completed school year 2020-2021. You may also submit current First and Second Quarter grades for 2021-2022 school year, if you would like these taken into consideration. If you have submitted grades and/or discipline, please disregard this message. You have until the end of the magnet application window to complete this part of the application. Applications that are incomplete will not be processed.

PLEASE REMEMBER, if your child currently attends ANY Mobile County Public school and you are submitting a Magnet application **THEY ARE NOT NEW STUDENTS** but current students on the application! Several students here currently attend a MCPSS school and the grades are missing because they were enrolled as new. New students are those who are currently NOT ENROLLED in a MCPSS school. ALL current 5th grade Magnet students are automatically enrolled in their feeder 6th grade middle school. Applications are only necessary if you are NOT wanting to enroll in your Magnet feeder middle school.

**If you accidentally submitted an application for a current MCPSS student as NEW, withdraw the application and RE-SUBMIT as a current student so the grades will upload from POWERSCHOOL tonight and we will have the grades.**

If you have questions, call our office at 251-221-4039 or email [magnetinfo@mcpss.com](mailto:magnetinfo@mcpss.com). If you only submitted grades and not discipline records because your child does not have any discipline records, please have their current school write a letter stating he/she has no disciplinary actions. **All records must be submitted by 1:00 PM Friday, January 28th**, they can be submitted online through your application. **If the grades/discipline are not received by 1:00 PM TOMORROW the application will be withdrawn.**

Dear Parent,

**Your child's Magnet School Application with MCPSS is still showing pending in our system.**

The pending status could mean we need grades and or discipline records for your child's the last fully completed school year 2020-2021. You may also submit current First and Second Quarter grades for 2021-2022 school year, if you would like these taken into consideration. If you have submitted grades and/or discipline, please disregard this message. You have until the end of the magnet application window to complete this part of the application. Applications that are incomplete will not be processed.

PLEASE REMEMBER, if your child currently attends ANY Mobile County Public school and you are submitting a Magnet application **THEY ARE NOT NEW STUDENTS** but current students on the application! Several students here currently attend a MCPSS school and the grades are missing because they were enrolled as new. New students are those who are currently NOT ENROLLED in a MCPSS school. ALL current 5th grade Magnet students are automatically enrolled in their feeder 6th grade middle school. Applications are only necessary if you are NOT wanting to enroll in your Magnet feeder middle school.

**If you accidentally submitted an application for a current MCPSS student as NEW, withdraw the application and RE-SUBMIT as a current student so the grades will upload from POWERSCHOOL tonight and we will have the grades.**

If you have questions, call our office at 251-221-4039 or email [magnetinfo@mcpss.com](mailto:magnetinfo@mcpss.com). If you only submitted grades and not discipline records because your child does not have any discipline records, please have their current school write a letter stating he/she has no disciplinary actions. **All records must be submitted by 1:00 PM Friday, January 28th**, they can be submitted online through your application. **If the grades/discipline are not received by 1:00 PM TOMORROW the application will be withdrawn.**

Thank you in advance for your help in this matter,
